

The ENGO wiring centre-RF has been created to offer 6 Zigbee RF zones and 2 hard wired zones, which can also be converted to RF zones using the ENGO 16A smart relay.

This clever design gives you complete flexibility when installing your underfloor heating controls.

Features:

- Easy to install
- Supports 8 heating zones
- Up to 48 actuators to be connected without additional relays
- Universal NO input for the heat source (NO-COM-NC)
- Removable wiring blocks, a screw-on cover
- Live and neutral pump terminals
- LED status indication
- 5-year warranty

Technical:

- Dimensions: 330mm x 110mm x 36mm
- Weight: 400g
- IP rating: IP30
- Maximum actuators per zone: 6
- Operating temperature: 0°C to 50°C

Electrical data:

- Power supply: 230V AC 50/60Hz
- Fuse: 6A internal
- Pump contact: relay max 8A

About us

No ifs, no buts. The award-winning Continal® service means you get an underfloor heating system delivered to you on time, on site, every time, no compromise.
